

SPECIFICATIONS CHANGE NOTICE

DATE: Jun 10, 2025

We would like to notify our customers that, due to hardware design changes, the model's specifications will be updated.

[https://www.lantechcom.tw/global/eng/I\(P\)GC-0101DSFP.html](https://www.lantechcom.tw/global/eng/I(P)GC-0101DSFP.html)

These changes will not impact the fit, quality, reliability, or environmental compliance of the devices. We will continue to provide technical support and RMA services for model with the old part number during the valid warranty period.

	Former Design	New Design
DIP Switch	DIP Switch 1: ON: Enables Power Fault Alarm OFF: Disables Power Fault Alarm DIP Switch 2: SFP speed	N/A

Model name:	Former Part Number	New Part Number
IPGC-0101DSFP-48V	8350-0511	8350-070
IPGC-0101DSFP-48V-E	8350-0521	8350-0701
IPGC-0101DSFP-12V	8350-0531	8350-0702
IPGC-0101DSFP-12V-E	8350-0541	8350-0703
